Edition

Meet Denton

Denton is a lovable, naive dragon who lives in a very special place called Bubbleland. Denton stars in 18 tales that teach character values and encourage meaningful discussions such as is it ever okay to lie and how do we treat others who are different. *Tales of Bubbleland* is designed to be read aloud to one child or a whole class. All children find Bubbleland to be a place of fun, humor, and well being!

Denton
the
Dragon

"A bad day in
Bubbleland
is still
a really
good day."

Teach Values Through Music

The *Tales of Bubbleland* has 13 companion songs with titles like, *Good Things Will Happen to You* written and performed by well-known singer songwriters.

- Timmy Abell
- And others

Also at dentonthedragon.com, view companion videos with puppets produced by nationally known puppet master Lisa Sturz, an alumna of the Muppets!

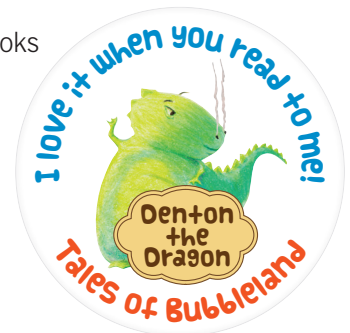

Teach Values Through Stories

Character education is so important and our kids just aren't getting enough of it!

The mission of *Tales of Bubbleland* is to share stories, videos, and songs that teach universal values to young children in any setting, including home, school, daycare, community centers and churches.

Denton will teach your students the values of honesty, integrity and fairness in a fun and engaging way!

- Large colorful illustrations
- Over-sized spiral-bound books perfect for reading aloud
- Engaging stories
- Memorable characters
- 18-week Curriculum guide with discussion questions
- Downloadable songs for further classroom activities
- Bonus! Skit script for older children

Bring Denton to your Classroom!

The *Tales of Bubbleland* is currently available in a 3-volume, over-sized spiral-bound classroom edition with a downloadable curriculum guide and songs. A home edition, with 19 tales, is also available. Purchase yours at dentonthedragon.com.
